### CHORUS

I am awake  
With hands raised  
Cause Your Holy Spirit changes everything  
I am awake  
For all my days  
I know Jesus is the reason to celebrate

### VERSE 1

I was asleep  
I was weak  
Couldn't breathe  
Couldn't stand on my own two feet  
When I found You  
I was bound to  
Worship You  
And I knew  
That I was complete

### CHORUS

### VERSE 2

Wake up, wake up, it's time to dance  
Was asleep, now I'm not  
Cause He gave me a chance, huh  
I walked around spent my whole life snoozin'  
Then Jesus came in

Man, I can't stop groovin'  
So slide to left  
And clap your hands twice  
Bring it back to the right  
Go and wave your hands high, huh  
When people ask ya why ya feelin' great  
There's no debate, ya just say,  
"I AM AWAKE!"

CHORUS

BRIDGE

Now slide to left  
Bring it back to the right  
Show your best move  
Throw your hands up high  
Slide to left  
Bring it back to the right  
Show your best move  
Go and tell 'em all why...  
Cause I am awake!

VERSE 1

Only in Christ we find the truth  
He shows us the way that leads us through  
Gives us power to face our enemies  
His praises are the melody we love to sing

CHORUS

Our strongest foundation  
Everything else is made of sand  
No storm that is raging can take Him down  
He's the Rock on which we stand  
When we're facing the waves that are raging  
We know God won't let us falter  
Let this living water  
Rain over us  
We'll praise God  
We'll praise God for the water

## VERSE 2

The fathomless depths and heights of His love  
To us, undeserving, these gifts from the Holy One  
Worries are silenced  
Anxieties quiet  
Anything is possible  
Everything is solvable

## CHORUS

### BRIDGE

We'll never be thirsty again  
We'll praise God  
For His living water  
We'll never be thirsty again  
We'll praise God  
We'll praise God  
(repeat)

## CHORUS

Let it rain  
Let it pour  
And flood over me  
I'll thank God  
I'll thank God for the water

Dead, but now I'm living

Let's dance and shout  
And live it out  
Our hearts on fire for You

Life's changing and my  
Shame's fading and I  
Just can't get enough

My chains breaking  
And the world's shaking

Just can't get enough  
Of Your love

Just can't get enough  
Just can't get enough  
Of Your love

Live louder and  
Sing louder

#### VERSE 1

I was the one

The prodigal son

Running away from everything that I had ever done

Went out alone

Out on my own

I left everything and everyone I'd ever known

#### PRE-CHORUS

You said, "Child, come on home

You've got a place right here, I know you feel it in your bones

You don't have to run,

You don't have to hide

Everything looks dark, but if you look

I'm waiting in the light"

#### CHORUS

When I'm lost

When hope is gone

When I think I can't go on

You're the one I know that I can always call my home

I was lost

Now I'm found

You and me forever bound

God, You picked me up

And then You turned my life around

#### VERSE 2

Now I'm the one

To walk with Your Son

Going everywhere to tell the people what You've done

You were alone

Out on Your own

Giving everything up on the cross so I'd be known

#### PRE-CHORUS

CHORUS

(repeat)

Our burdens and losses to You, our King

Move us in power and grace  
The young and the old

There'll be joy in this place  
When we all see the face of the Risen King!

### VERSE 1

This foundation that You're laying  
I'm on my knees, I'm  
Praying these pieces come together  
All things new is what You're making  
Can't feel the change  
But You're always working  
Making something out of me

### CHORUS

That's faith  
Praying on your knees  
Belief in what you cannot see  
That's Faith  
Trusting in Him  
There's joy and peace in knowing  
When things get hard, you cannot see  
All the reasons to believe  
That's faith  
That's faith

### VERSE 2

This creation that You're making  
I feel You working  
Seeing these pieces come together  
It can feel like things are breaking  
Can't see the change  
But you're always working  
Making wonders out of me

### CHORUS

### BRIDGE

Brick by brick You're building  
Something new inside of me  
Brick by brick You're growing  
Something new in spite of me  
(repeat)

### VERSE 1

Telling me when

I'm in my head

Just how You feel about me

Remind me again

You're with me and then

Remembering I believe in

You-oh-oh-oh-oh-oh

You-oh-oh-oh-oh-oh

You make every day brand new

### VERSE 2

I'm focusing on

How I got it wrong

Feeling I don't belong, You

Tell me I'm strong

You're there all along

Reminding why I lean on

You-oh-oh-oh-oh-oh

You-oh-oh-oh-oh-oh

You're the melody in my song

### PRE-CHORUS

Everyday You help me create

You're making me feel brand new

Can't help but sing to You

### CHORUS

Feeling free and You

Feel like new morning, like

Sunrise, like my hope is reforming

From You-oh-oh-oh-oh-oh

You-oh-oh-oh-oh-oh

Whoa-oo-oh-oo-oh

You feel like new morning

### VERSE 3

Walking along

I'm singing Your song

Feeling the sun is shining

All the day long

With You I belong  
Now my whole life's defined by  
You-oh-oh-oh-oh-oh  
You-oh-oh-oh-oh-oh  
You're the every reason why

## **I KNOW**

Music: Daniel Baudin, Ivy Castle Simpson, Luke Hutchens

Vocals: Daniel Baudin

BGVs: Ivy Castle Simpson, Jason Hoard

Guitars, Keys: Isaac Hutchens

Drums: Jason Hoard

VERSE 1

Everything was dark  
But Your Son came and brought all the light in  
And I'm just here  
Tryna do my best but all I wanna do is hide it  
Everywhere I go  
All I see is staring, judging  
But what do I do  
When living for You might mean that they don't love me

PRE-CHORUS

God, I'm just trying to do what Your Word says  
Be the light to those around me like a lamp stand  
Don't let me cover up Your shine, never fading  
Remember that You made me and I'm Yours before I'm anything

CHORUS

And I know, I know  
God, You're the light to follow, follow  
And I should drop everything  
but I know, I know  
There's some days I just feel hollow, hollow  
Like I just can't do anything

But I know, I know  
God, when You tell me follow, follow  
You're always there to wait for me  
So I know, I know  
That it's always best to follow, follow  
Than think that I know everything

## VERSE 2

Maybe I'm a fake, maybe I'm not great  
Maybe I really don't got what it takes  
What if they hate? They'll walk away  
I'm all alone and I'm dealing with shame  
Where do I go when I'm battling lies?  
How do I know if it's just a disguise?  
How do I know when I'm doing this right, am I doing this right?

But then You came in, everything changed in a beat  
Where we sit and judge, You came in as love  
Looked at my heart, gave me grace from above  
You tell me I'm loved cause I'm bought, gave me joy in my heart  
Like that wasn't enough, man, You died on a cross  
So I'll look at the shame and I'll call it all loss  
And I'm livin' for You no matter how much it costs me, cause

## PRE-CHORUS

## CHORUS

## **This is Not the End**

Music: Ivy Castle Simpson, Jason Hoard  
Vocals: Ivy Castle Simpson  
BGVs: Daniel Baudin, Julie Clark, Jason Hoard  
Drums, Bass, Guitar, Keys: Jason Hoard

## VERSE 1

I find my rest in You  
I find my comfort in Your Word  
I don't know the path and why  
It's going this way and that, but I  
Know that my cries will still be heard

## CHORUS

I'll put one foot in front of the other  
I'll keep on trying  
I'll lift my hands when all feels lost  
And I'll praise You through my tears  
No matter the cost  
If it's not done then You're not done  
Then I know  
This is not the end  
This is not the end

## VERSE 2

I put my faith in You

Trust what I cannot see  
I know You're bigger than my unbelief, so  
Step by step I'll see the forest  
Through the trees

CHORUS

BRIDGE

One foot forward  
Keep on trying  
One step forward  
Don't stop fighting

One foot forward  
Keep on trying  
One step forward  
Keep looking straight ahead

CHORUS (repeat)

Putting out a brand new set of songs every year for VBS and our church is one of the greatest joys of my life! I'm so honored to do this work for our people. This year's CD really does feel like it's a Brand New Morning! We at Grace have stepped into a very special calling to live life together and worship together as one multigenerational body. Normally on our BGVs (background vocals), we feature our team and our producer. This year, I wanted to lean into what it means for us to be a "multigenerational" church, which means including the entire congregation, the children, the youth, and even the Grace Chancel Choir. This is the very first year in the history of our VBS CD that we really can say that this is from our whole congregation! I want to take a special moment of privilege to say thank you to our amazing congregation. Now, it doesn't take a lot to make me cry, you all know this! But I want to say that hearing your sweet voices throughout this CD makes me absolutely weep with joy. Through your voices, I feel God's confirmation of His calling in my life. Our Chancel Choir is featured on 2 of our songs and hearing them sing the harmonies that our director, Franco Basili, wrote will be forever one of the greatest musical moments of my career here. All of you who lent your voices to this project will be forever in my heart, and I am forever grateful. I'm so proud that God has chosen each of us to stand shoulder to shoulder in this moment to worship together in all we say and do. Thank you for being brave enough to joyfully say yes to joining us on this year's CD! God is using this place for big things. Thank you for being such a sweet part of this project.

Thank you to Doug Gleditsch—for your amazing artwork for all things VBS, you make us look so good! To Angela Ferguson—for being the seed that was planted and has grown and grown into such a big, beautiful meaningful project each year. To Pastor Julia—for your support for our multigenerational church, to my crazy ideas, to saying yes to all our shenanigans, and for being such a fantastic leader. To the Worship Ministries team (Stephanie, Yunyoung, and Franco)—for being my rock, my steady hands, my backup plan, music ninjas, and all around joy to be around. I love you all so very much and would be a total mess without you and surely wouldn't have quite as much fun. To Mr. Earl, Miss Johneice, Uncle Ryan—thank you for your support! You're the reason these kiddos get to have even more music to enjoy! Thank you for caring enough about the kids, the music, the CM team to say yes to more. What a gift you all are to all of us for so many reasons, this is one of many! To all of Family Ministries (Traci, Johneice, Julie, Liz, Daniel)—thank you for being my safe space. You never turn me away, you always pull me in close, you let me be a part of you even when I'm not listed on the door anymore. You have been the hands and feet of Jesus in my life, always. To Isaac Hutchens—thank you for coming along on this crazy journey with us! You're part of the fam now, there's no getting out! I can't imagine being as talented as you when I was your age. God is doing such jaw dropping things because of you, I'm so excited I get to watch it all unfold! To Daniel "DBeaux"—I'm so grateful that you're my partner in crime in music and VBS and singing and all the things. God is showing off through you every day, friend. It's nearly rude. I'm so proud of you and so grateful for your work and art on this and every CD. To Traci—my bestie, my safe space, my cheerleader, my favorite person to laugh with, my muse! I'm honored to know you and that you let me pour out my heart to you in lyrics and spoken words. I hope I can ever be a fraction of the friend to you that you are to me. I love you more than bacon. Jason Hoard—the reason we sound like we know what we're doing, the producer, the writer, the creator of worship experiences in a small office space. We are so grateful for your friendship. You are our brother from another mother and we're so humbled we get to continue to do this work with someone who, in our eyes, is the actual and absolute best human and musician any of us know. Thank you for your beautiful work to make our music dreams come true!

Our prayer as a team, and as Grace Pres Houston, is that you will be blessed by this work. We're so very proud and give God all the glory for every step in the process. We pray that you'll worship loudly and boldly as you sing along!
